

Cassita II + Cassita II LED

FOLDING ARM AWNING | FULL CASSETTE

With its slim, purist design, the Cassita II is in perfect harmony with modern home interior trends. Despite its ultra-slim design, the cassette is packed with a whole range of technological innovations. The minimalist look of the two-point installation system underlines the contemporary design. Its dimensions make the Cassita II the ideal sun protection system for most patio sizes. Cutting edge design combined with German precision and technology has seen the Cassita II and Cassita II awnings win a range of European product & design awards.

The clever two-point suspension adds to the Cassita II's stylish and minimal appearance. The fabric and frame are well protected from wind and rain in the 12cm flat oval cassette. Available width to 5.5m and with a maximum projection of 3m. The Cassita II LED model extends the hours of outdoor enjoyment on the patio.
